Script2Hollywood is thrilled to unveil a groundbreaking opportunity that will redefine the future of education and entrepreneurship! Introducing our Entrepreneurship Scholarship Program, offering up to $35,000 for our cutting-edge Technology-Digital Media-Business

AI Next Gen Scholarship Program. *High School Diploma or equivalent required to qualify.*

What Inspired Us!

What inspired Script2Hollywood LLC to offer an astounding 60 scholarships totaling a whopping $1.2 million in awards? It all stems from our core belief that countless young adults and adults alike, and aspiring entrepreneurs yearn for the chance to return to school and ignite their careers, yet often find themselves hindered by financial constraints or time limitations. We've made it our mission to change that narrative, and we did!

Imagine a world where anyone can access cutting-edge education in Next Gen AI Technology, Social-Media & Advertisement, and Next Gen AI Business Trusted Advisor Certifications—programs designed not just for learning but for launching successful careers that can lead to six-figure incomes in no time! This vision was inspired by witnessing an incredible act of generosity from a mega church in Michigan, which surprised its members with life-changing scholarships. The sheer joy and transformation we saw were nothing short of miraculous.

At Script2Hollywood, we want every church to harness that same spirit of giving. By offering scholarship opportunities through your leadership, you can empower individuals who might otherwise miss out on such chances. And here's the best part: for every member who receives a scholarship, we will grant your church between $250 and $500! This initiative is not just about education; it's about community upliftment—a win-win opportunity for everyone involved.

Join us in this awe-inspiring journey! Be part of the solution as we come together to provide life-altering opportunities for those who need them most. Let's raise funds for your church while transforming lives—help us make this dream a reality**! Proverbs 22:9** The Generous will themselves be blessed, for they share their food with the poor.

   This is our opportunity to be generous to our members and community as leaders.

The future is now!

Imagine scholarship recipient embarking on a 10, 24, or 48 months Professional or Master-Certification program that not only equips students with the skills to thrive in a ***Trillion-Dollar*** global industry but also allows students to **earn six figures** while in study and build their business! We are limiting this extraordinary opportunity to just 20 scholarships for the 10-month program, 10 scholarships for the professional program

per discipline and 5 for the master program per discipline across three exciting tracks.
