What Inspired Us!

What inspired Script2Hollywood LLC to offer an astounding 60 scholarships totaling a whopping \$1.2 million in awards? It all stems from our core belief that countless veterans & family, young adults, and adults alike, and aspiring entrepreneurs yearn for the chance to return to school and ignite their careers, yet often find themselves hindered by financial constraints or time limitations. We've made it our mission to change that narrative, and we did for our veterans and families. The CEO being a veteran, understands!

Imagine a world where anyone can access cutting-edge education in Next Gen AI Technology Trusted Advisor, Social-Media & Advertisement Trusted Advisor, and Next Gen AI Business Trusted Advisor Certifications—programs designed not just for learning but for launching successful careers that can lead to six-figure incomes in no time! This vision was inspired by the CEO being a veteran and witnessing an incredible act of generosity from a mega church in Michigan, which surprised its members with life-changing scholarships. The sheer joy and transformation we saw were nothing short of miraculous.

At Script2Hollywood, we want every veteran and family member to harness that same spirit of opportunity by offering scholarship opportunities through our scholarship program. You can empower yourself or otherwise miss out on such chances.

And Here's the Best Part!

Every student who receives a scholarship, will be assigned a Life Coach whose responsibility is to assist you along your education to a successful competition. Students will also be assigned a Mentor whose responsibility is to guide each student through setting up and establishing its business as a Trusted Advisor Partner with Script2Hollywood LLC. Students has an opportunity to earn six figures while in program as a Trusted Advisor Partner. Master students will have the opportunity to become a Managing Partner and earn seven figures.
